

## North Logan Soccer Association

*Serving Northern Logan County and Southern Hardin County*

Coaches encouraging kids... the cheers from the crowd... the celebration after the game... these are sounds of any typical day in the life of a North Logan Soccer player. The North Logan Soccer Association currently provides over 150 children an outlet to play soccer. These children come from communities in both Logan and Hardin counties. We are part of a larger organization, the Logan County Soccer Association, which provides soccer to several hundred girls and boys each year. These children not only learn valuable lessons from the game, but also make friendships that they carry with them throughout life.

We cannot do this alone. We invite you to help North Logan Soccer continue to offer quality recreational participation by presenting you this donation opportunity. The fundraising our players do will only make a small mark in the large amount we will need to aid each player. Your monetary contribution will not only allow the NLSA to continue its tradition of providing quality soccer experiences, but also allow you to make a difference in the lives of countless children in the county. Your generous donation will help cover uniforms, official fees, league fees, field preparation, as well as allow us to keep our player fees to a minimum.

Your donation will not go unrecognized. We will showcase your company at all North Logan home games, as well as provide acknowledgement through the Bellefontaine Examiner and Kenton Times. All donations over \$100 will receive plaques for display in your business. If you would like your name to be omitted, please let us know that so that we may keep your donation private. Below are several donations options for your convenience:
